Hello everyone

It’s been another incredibly busy week with so much happening within and outside of the classrooms. If we keep going at this rate, we’ll all be exhausted before the end of October! That won’t be the case of course – we know 4th term is always hectic so we brace ourselves and pace ourselves so that we make it to the finish line.

Mia Alexander and Nicole Denipitiya had the honour of delivering our first ever Acknowledgement of Country at Monday’s Assembly. From now on our School Captains will perform this function, but we thought it appropriate for Mia and Nicole to do it first as, along with Remi Steen and Vishni Attanayake, these Grade 4 girls had proposed the idea and then saw it through to fruition after lots of hard work. Thank you girls. Lisa Ong blew the audience away with her wonderful playing (keyboard) and singing of See You Again and the Violin Ensemble, led by Rosemary Walsh, played Canon in D and The Hundred Pipers extremely well. Remi Steen featured again when, along with Ashleigh Frost, they were applauded for their fine work as Artists of the Week. Our Walk/Wheel winners were 6NK, weekly House competition winners Killara and the children were reminded that they need to wear hats outside during 4th term.

We acknowledged the 41 children who had received Credits in the ICAS English Competition and presented Distinction Certificates to the following high achievers: Isaac Huynh, Peri Kay-Kneebone, Christina Koutsoufitis, Junn Siah, Linda Chen, Mia Alexander, Remi Steen, Nicole Meng, Mia Kangiars, Leon Zhang, James Del Papa, Angelina Liu, Chloe Plant, Henry Smith, Carl Lu, Mimi Dassanayake and Philip Wing-Shing. We then celebrated with Eleanor Seery, Andrew Zhu and Max Leonidis who received the outstanding result of High Distinctions. Special congratulations to those three students and congratulations to all those who participated and performed so well.

The week of sporting involvement commenced last Thursday when the 3/4 Boys’ Hooptime Basketball Team won the Regional Event; a fantastic performance which qualifies them for the State Finals. Great effort boys! On Friday our Grade 4 Boys’ Kanga Cricketers were also competition winners in the junior Ian Huntington Cup event. Well done! Our girls’ team also acquitted themselves well in the same competition. On Monday, the Boys’ Volleyball Team competed in the Division Finals. Their efforts were terrific and they were runners-up. A similar outcome was achieved by our Girls’ Softball Team on Tuesday – another great effort saw a runners-up result at the Division level. Congratulations to both of these teams on their fine performances throughout the year. Our Boys’ Basketball Team went one better on Wednesday, winning the Division Championship. The boys will now progress to the Regional Finals. Great work! Thanks are extended to all the parents who made time to assist with coaching, scoring, transport and barracking! At the time of newsletter publication last week we were unaware that our Boys 11 4 x 100 Relay Team had also qualified for the Regional Championships. So we add the names of Will Casey, Kynan Brown, Bailey Milligan and Jasper Kay-Kneebone to those mentioned last week and wait to hear how they all performed today.

Maths has been the focus of teacher professional development this week. We were once again privileged to have Michael Ymer working in the classrooms with the teachers observing. It’s one thing to be presented with theories as to how to effectively teach, but it is far more powerful to see best practice in action. All teachers had the opportunity to watch Michael doing what he does best. We also had the honour of a visit from another Maths guru, Charles Lovitt. Charles ran a very hands-on 2 hour session on Tuesday after school which had all teachers engaged from the outset. Charles has compiled an extensive list of open-ended Maths challenges suitable for all Maths ability levels. The point of entry into the activity can be varied according to the children’s prior knowledge and, as Charles reiterated, every Maths challenge creates a new Maths challenge so the more capable mathematicians can continue to be stretched.

Thirty-seven days until the Fair! This week you should have received (via the Sentral Portal) a request for volunteers. Please give serious consideration to putting your name forward as either a coordinator of an activity or as an assistant. Jacquie and Bek have gone to great lengths this year to avoid demanding too much of members of the school community in the early stages of preparation. However, now is the time we need YOU to make a commitment to make this year’s event the biggest and best ever. There is nothing better
than seeing the school community rally in support and work together for a common cause. The sense of community prevailing on Fair days has to be seen to be believed and we can guarantee you will be proud to part of it.

Tomorrow’s Free Dress Day is in aid of the Fair. Rather than a gold coin donation, the children are asked to bring goods that will contribute to the running of the Fair. A comprehensive list of suggestions has been sent home already. These donations can be taken directly to the **Stadium foyer** (note change of drop off point) where a group of volunteers will gratefully accept, then sort, your contributions.

To clarify the purchasing of Fair wristbands and tokens via TryBooking:
- TryBooking is currently open to pre-purchase all-day ride wristbands and tokens
- $1,859 has been generated through TryBooking so far.
- TryBooking closes on 4 November 2016 – no pre-purchase will be available after this date.
- Wristbands and tokens will be available for sale at the Fair from 2.30pm
- Between 4 November and 18 November a team of BPPS volunteers we will be sorting and distributing pre-booked wristbands and tokens to families. Orders will be placed in envelopes and sent home with the eldest child.

There is great excitement in the Grade 1/2 area with the Yr 1 Dinner and Yr 2 sleepover happening tomorrow night. This event forms part of our Camping program as it prepares the children for being away from home and helps them learn how to get along with a large number of children gathered together and ‘living’ side by side. Please read the communications that have been sent home regarding times of arrival and collection, as it is most important that these times are adhered to.

*Eric Regester*

**FROM THE ASSISTANT PRINCIPAL**

**BIKE SHELTER**

On Tuesday our bike shelter was completed. It’s located on the outside wall of the library, holds 30 bikes and scooters and is a fantastic addition to our school.

Over the past week I’ve been to each class to survey how many of our students own their own bike. At Boroondara Park 86% of our students do. Of these 20% own a bike lock. I also took a straw poll on the average number of days these students ride either a bike or scooter to school. The figures were: 1 day a week – 7%, 2 days – 19%, 3 days – 31%, 4 days – 23% and finally five days a week at 58%.

During the past couple of months we have been logging our active travel through the Ride2School Hands Up website. The following is a summary of the data.

<table>

As you can see we’re sitting around the 50% mark of students who walk, ride or scoot to school and this is on a day when it is our focus. The figures are lower on other days. This month is Walktober. Each class has a tally sheet in their classroom which the students mark each day they walk. [http://www.walktober.org.au](http://www.walktober.org.au)

We have a great focus on being fit through a comprehensive physical education and sport program. Given our focus on being active why are our numbers so low when it comes to active travel? We know the reasons why many of our students are driven to school. BPPS isn’t the closest school, many parents work etc.
A program we’re investigating for 2017 is Bike Education. Our target audience could be our Grade 4 students. The area around our school is quite hilly and the students require a level of competency when riding. Later in the term our PE teacher, Cameron Batt will be undertaking the training as well as visiting a school in our neighborhood which runs an excellent program. We feel that the more confidence our students have on their bikes, the more likely they will be to ride to school. A reminder that it is legal for children under the age of 12 to ride on the footpaths. https://www.vicroads.vic.gov.au/safety-and-road-rules/road-safety-education/primary-schools/bike-ed

STUDENT LEADERS VISIT TO THE CITY OF BOROONDARA

Last term you may remember we hosted Jim Parke, Mayor of the City of Boroondara as our Principal for a day. When Jim came to BPPS among a number of students and teachers he met with he responded to questions from our student leaders. On Monday we had the opportunity for Jim to offer a return visit to these students.

The student leaders were presented with a civic education session where the following areas were addressed:

- Boroondara suburbs
- Fun facts
- Levels of government
- Examples of what Council does
- Youth Services, and the
- Council structure

Before we left for Council I gave the students two tasks. The first was to note the different types of work Council does and secondly what the essential skills required for these roles required. These were their responses.

<table>
<thead>
<tr>
<th>Work</th>
<th>Skills</th>
<th>Student’s Name</th>
</tr>
</thead>
<tbody>
<tr>
<td>council meetings, discussions, managing the money they collect, fixing the community, and rubbish collection.</td>
<td>respect others, listen to others ideas, have patience, try to make a difference and have good communication skills</td>
<td>Kody D</td>
</tr>
<tr>
<td>help the community make decisions and to have an interest in helping the community, garbage collectors, youth workers and sweep cleaners</td>
<td>communication, patience, respect, willingness, and an interest in community</td>
<td>Emily L</td>
</tr>
<tr>
<td>Make decisions on what should be done in the Council,</td>
<td>Good communication, a willingness to help, respect and care for the community</td>
<td>Steph S</td>
</tr>
<tr>
<td>Town planning, youth services manager,</td>
<td>organisation, efficiency and communicate well</td>
<td>Thomai G</td>
</tr>
<tr>
<td>Executive manager, Senior Chief executive, Accountants, Manager of governance, Psychologist, Town planning student, Doctor, medical practitioner, Journalist, Lawyer, Engineer</td>
<td>The skills you need is patience, respect, listening skills, understanding, stand up and say that behaviour isn’t appropriate- saying if they need to follow the rules - Mayor qualities.</td>
<td>Maryam A</td>
</tr>
</tbody>
</table>

Who knows, perhaps one of our students could be sitting in the ‘big chair’ at Council in a few years’ time.

Randal Symons
Thank you to those who have put themselves forward to help. There are many days still left to fill; please complete the Canteen Helpers form if you can help. If you feel you cannot commit to the canteen the whole day remember anytime you can help is appreciated. If you are unable to work on your selected days, could you please let me know on 0419 506 318.

Di Cleary, Canteen Manager

**KIDS CAFÉ @ BPPS**

I would love your help in the Canteen!

**What can you do?**

1. 9.00 to 9.30am: Order processing
2. 9.30 to 10.30am: Lunch order food preparation
3. 9.30 to 10.30am: Speciality food preparation:
   - Make jelly/moos/mops/freeze pineapple rings
   - Make puffy dogs/cut fruit & veggies for snacks
4. 10.40-11.10am: Recess counter service
5. 11.10-12.15pm: Lunch order food preparation
6. 12.15-1.00pm: Pack lunches into tubs and distribute to students
7. 1.00-1.50pm: Lunch time counter service
8. 2.00-2.30pm: Count money and kitchen clean up.

All tasks easy and training provided. Community help is needed especially with our new mini healthy recess and lunch snacks.

If you are interested in co-ordinating ice-cream Friday’s 3pm to 4pm terms 1 and 4, please contact me.

Please reply by emailing me at: [beaudesert.parks@nsw.gov.au](mailto:beaudesert.parks@nsw.gov.au) or calling on 0419 506 318 or the school number 9857 5157.

Di Cleary, Canteen Manager
Congratulations to Katerina Loutas of 6CR, who is next week's artist of the week. Her work is a Ceramic Japanese Sweetbox. It was made last term and the focus was on building strong, neat joins, which Katerina’s clearly are. She has also inscribed clear Japanese characters on the lid and sides of her box. The box was glazed in the first week of term. This is always a CURIOUS experience, as it is impossible to tell how the colour will turn out from the unfired glaze.

Well done Katerina!

Chris Trollope & Jennifer Hortin
Wear green on the 21st of October!

GREEN DAY FOR PEACE IS AN INITIATIVE OF GLOBAL GARDENS OF PEACE. PROCEEDS GO TOWARDS BUILDING GARDENS OF HOPE AROUND THE WORLD.

Green Day for Peace highlights the importance of green spaces and gardens in our urban environments:
• Increasing health and wellbeing of individuals and communities
• Increasing memory and problem solving capabilities in children
• Combating urban warming and mitigating the effects of climate change
• Providing havens for our wildlife while improving our biodiversity and waterways

Global Gardens of Peace is a charity founded by Moira Kelly in 2013 with the aim of building gardens of hope in devastated communities around the world:
• Providing safe green spaces for children and their families
• Connecting children to nature through play
• Supporting learning via education programs
• Building communities through gardens
• Providing opportunities for local employment

Performing Arts

Performing Arts & Music at BPPS

Assembly Guest Performers
Congratulations to Lisa Ong and the Violin Ensemble for both of their performances at this week’s assembly, held on Monday 10th October. A fantastic way to start Term 4! Well done!!

The Borroondara Park Primary School Carols Night
Our next big musical event will be our annual Borroondara Park Carols evening held here at BPPS. Our Foundation students, BPPS ensembles and a few soloists will be performing at this event. This is a great opportunity to bring along a picnic and enjoy live music in the outdoors!

Please put this important date in your diaries: Thursday 8th December!

Stay tuned for more news!!

Dance/Drama Club
Just a quick reminder that next week (week 3) will be a Dance week, Tuesday lunchtime with Miss Francis in the end music room/stadium at the following times:
• Foundation - Grade 3 will be 1:00pm-1:25pm
• Grade 4 - Grade 6 will be 1:25pm-1:50pm
We look forward to seeing you there!!

Lliananeath Poor & Beth Stephen (Performing Arts Teachers)
Program Update

This week was Plant and Garden Week. The children learned about different plants and we planted and decorated our indoor hanging garden. We cooked Pumpkin soup, Cupcakes, Spanakopita and fruit smoothies. We also played lots of group and Sport relay games in the hall.

Note to parents: Term 4 is a Sunsmart term. Please make sure your child always has a hat in their bag to wear at OSHclub. This can be your child’s school hat, but it can also be a hat from home.

This photo is the sunscreen we are currently using at OSHclub:

If your child has allergies to sunscreen, please let us know and also choose a brand they can use to put in their bag to use at OSHclub. Thank you!

Artist of the Week:
Adrina H. for her amazing Monet inspired waterlily painting.

Best & Fairest:
Lula P., Adrina H. & Zaria C. for working together to plant & water our new hanging garden.

Next Week is Painting Week!

Fair updates and information
www.facebook.com/BPPSfair2016/
FAIR REMINDERS:

- casual clothes day TOMORROW (Friday). Please bring donations to the Stadium from 8.30am onwards (see flyer below)
- All raffle books (sold or unsold) and money must be returned by TOMORROW (Friday). No tickets can be received after this day.
Mr Batt’s Sports Report

Year 3/4 Boys All-Star Hooptime Regional Finals
On Thursday 6th October, our Year 3/4 boys All-Star team competed in the Regional Finals at Dandenong Basketball Stadium. The 8 boys in the team, Tadhg McCarthy, Aiden Olds, Sebastian Vidovic, Hunter Hawke, Kamil Hegazi, Will Louey, Zac McCarthy and Lachlan Craik, had been in practice mode in the weeks leading up to the day thanks to the superb coaching by Tadhg and Zac’s dad, Justin McCarthy.

The boys competed extremely well on the day and they won their playoff game to now qualify for the State Hooptime Competition!! A fantastic effort by the boys!

A big thank-you to Justin for giving up so much of his time as well as all the parents for transporting the boys on the day. Good luck in the State Competition on Monday 21st November.

Year 4 Cricket Competition
26 students competed in the Year 4 District Cricket Competition last Friday where they got a chance to play some ‘Kanga 8s’. We had one boy and one girl team in the competition and all students had a great time. Our boys team were crowned District Champions after they won all their games and our girls team competed extremely well. Thanks to Miss Ainger, Lakshan Denipitiya and Steven Sault for coaching the students on the day and walking with them to Hislop Park.

Summer Sport Division Finals
We had some great success this week as our boys volleyball, girls softball and boys basketball teams competed in the Summer Sport Division Finals. These teams had qualified after they won their District Competitions. Our boys volleyballers, coached by Mr Reg, and our girls softballers, coached by Miss Russell, finished 2nd in the Division in their competitions after they both won one game and lost the other. Our boys basketball team, coached by Aeron Hurt, won all of their matches to become the Division Champions!! Congratulations to all students on their fantastic efforts! Our boys basketball team will now progress through to the Regional Basketball Competition on Thursday 2nd November.

Thank-you to Mr Reg, Miss Russell, Aeron and all the parents who assisted with transporting students. Good luck to our boys basketball team at regionals!!
EUREKA!!!

On Sunday November 13th four of Boroondara Park’s teachers will form a team to together climb to the top of Australia’s tallest building, the Eureka Tower here in Melbourne. That’s 88 floors, 1642 stairs all the way to the top of the Eureka Skydeck. We will be doing this both to test our own fitness, but more importantly to raise funds for two very special charities, Whitelion and Interplast. Who are these teachers? you ask. Well, there’s Mrs Hortin who has raced the Eureka Climb three times in the past as an individual, and who has this year persuaded Miss Fava, who recently completed the Stadium Stomp, Mr Longmuir and Miss Amiconi to join her. We are all of us fitness enthusiasts, but we also think the organisations we are fundraising for are pretty special.

Whitelion
Whitelion supports young people at risk to reach their full potential. They are a not-for-profit organisation that for more than 13 years have been opening doors to opportunities, relationships and community for at risk young people aged 10 to 24. The young people that Whitelion work with have seldom had positive influences in their lives, and are often victims of abuse and neglect. Many come from backgrounds that are characterised by multi-generational disadvantage, unemployment, substance use and offending behaviour.

For more information visit www.whitelion.org.au

Interplast
Interplast exists to repair bodies and rebuild lives. They are a not-for-profit organisation working to improve the lives of people in our neighbouring developing countries who are disabled as a result of congenital or acquired medical conditions. They do this by sending Australian and New Zealand volunteer plastic and reconstructive surgeons, anaesthetists, nurses and allied health professionals to the Asia Pacific region to provide free surgical treatment for patients who would otherwise not be able to afford access to such services. They focus heavily on facilitating medical training and mentoring for their in-country medical staff by supporting and building capacity within local health services.

For more information visit www.interplast.org.au

You can support us and these worthy organisations by sponsoring us through the following link:
https://giving.plezepay.com/au/Hz19/2ji4mq/boroondarapark-uali

Sincere thanks,
Mrs Hortin, Miss Fava, Mr Longmuir and Miss Amiconi

It’s a long way to the top....
Brumbies Come Try Hockey Day

- When: Sunday 9th of October 10.00am to 11.30am
- Where: Home ground and training at Elgar Park, Corner Elgar & Belmore Road, Mont Albert North
- Cost: No Charge, equipment supplied (stick, ball & shinpads) BUT bring a mouthguard and drink bottle

Outdoor Hockey 5’s

- Held at Elgar Park on a modified field during October and November 2016.
- Teams of 7 with 5 on the field at any one time.
- Wednesday nights 6.30-8.30pm commencing October 12th
- $40/child for games plus $50 Hockey Vic membership (incl insurance)
- Enter your own team or we can place you in a team - U11s, U13s & U15s.
- Coaching provided

Contact: To register a team or an Individual
email: juniorsvp@kbhbrumbies.org.au
