FROM THE PRINCIPAL

Hello everyone

Our Grade 5s and our Grade 3s returned from their respective camps on Friday afternoon. The Grade 5s had enjoyed a wonderful time at Camp Coonawarra near Bairnsdale, building huts, canoeing, horse riding and swinging across a lake on a flying fox amongst other great adventure activities. We sincerely thank the teachers and other adults who dedicated their time and energy to facilitating this wonderful opportunity: teachers Mrs Ballot, Miss Francis, Mrs Reeve, Mrs Woodman, Mr Mulder and Mr King; student teachers Gemma Kelly & Sam Evans; and parents Jim Collias, Brett Sousa and David Francis. The Grade 3s also had a great time at the Phillip Island Adventure Resort. Their activities included, amongst other things, a giant swing, ponding, a ropes course, camp cooking and a trip to watch the Penguin Parade. Once again, we are extremely grateful to those who committed the extra hours to allow this rich experience to happen: teachers Miss Jones, Mrs Grigg, Miss Ainger, Miss Lindau, Ms Schultz, Mr Batt, Mr Longmuir and Mr Reg; teacher aides Louisa Judd and Nathan Grigg; and parents Josephine Versace and Maggie Castro. We must also congratulate the students from both cohorts who participated with great enthusiasm in all activities and consistently behaved in a way which reflected admirably on the school. Well done everyone!

An interesting inclusion in the Grade 3s experience was a visit by a ranger from the Koala Park. Whilst her presentation itself was most informative, she was thrilled to hear of our Nude Food initiative and full of praise for the students’ involvement in the program. She helped the students understand that a lot of the rubbish and litter dropped in the suburbs eventually finds its way to our seas and oceans, and can have a serious impact on the health of the wildlife.

With the Grade 5s away, the Grade 6 children had a special focus on transition to secondary school last week. Their Tuesday program was held at Balwyn High School, the Wednesday program was ‘Getting Ready for Secondary School’ and Friday’s was ‘Hit the Ground Running’. Following the Wednesday event an evening session was held for parents. These events are evidence of the commitment our staff have in preparing our students for the next part in their learning journey.

As I was enjoying my time with the Grade 3s on camp, Mr Symons hosted Cr Jim Parke, Mayor of the City of Boroondara who was Principal for a Day. Mr Symons’ article in last week’s newsletter provided details of the visit and we are excited that our student leaders will have a reciprocal visit to the council offices in October. Also in his article in last week’s Press, Mr Symons provided information of our involvement in the Schools Active Travel Forum. Many thanks to Sucheta Pereira, Caelin Loffel and Joshua De-Lacey-Turner for their excellent presentation in front of 21 other schools and to Mr Symons for facilitating our involvement. It was good to hear that our initiatives in encouraging safe travel to and from school have been shared with other schools, and that we also returned with ideas that others have implemented.

Another exciting activity on Friday was the District Basketball Championships. Congratulations to our Boys’ team that won and will now progress to Division level early next term. Our Girls’ team were very competitive but encountered some tough opposition. Many thanks to the parents, listed in Mr Batt’s Sports Report, who assisted on the day.

Have you had the chance to wander through our main building corridors to check out the wonderful art works on display during Art Week? This year our Grade 3 – 6 children each have a piece on exhibit and there are a number of works by school community members as well. If you haven’t had a chance to see the exhibition yet, maybe you could visit if you’re coming to the school for our end-of-term assembly tomorrow afternoon.

We were delighted to see so many visitors in the Foundation rooms on Monday afternoon. Entitled Appreciation Day, the children had written about someone special in their lives and then invited them to school to show them their work and tell them how grateful they were for the things the special person had done for them. We had mums, dads, grandparents, uncles, aunties and others in the mix – a great initiative by our Foundation Team!
We’re expecting many more visitors this afternoon as the students host the Expos in their classrooms. Small groups of parents are scheduled to visit the classroom in 15 minute blocks to witness their child/ren make a presentation of work they have completed. The class teachers will be roaming the room in support of the students.

Today’s Footy Day has been a lot of fun. Many thanks to Canteen Di (you should check out her ‘sleeves’ today!) for her work in preparing the Meal Deal lunches and to the children who joined in the frivolity with such enthusiasm.

A serious concern which has been brought to our attention by a number of parents in the Grade 4 area, is the discussions their children are having at school related to certain video or computer games and movies which are clearly unsuitable for children of this age. Whilst the choice of what the children play and watch at home is that of the parents, we are finding that the children, predominantly boys, are talking about adult themes and using inappropriate language that they have picked up from this media. The majority of our eight and nine year olds are emotionally and cognitively ill equipped to process the adult content in a healthy way. We have even had reports of children experiencing nightmares – not because they themselves have been directly exposed to inappropriate content, but by virtue of the conversations the children are having. Are you aware of what your children are being exposed to and is it appropriate for their level of maturity?

Another concern is the number of children who are at school well before 8.45 a.m. The school staff cannot be responsible for supervising these children, some of whom are here as early as 8.00 a.m. The only children who should be at school that early are those involved in organised school activities (eg orchestra, sports training), or those attending OSH Club. Bookings can be made for OSH Club by calling Joey on 0422 792719. Similarly, all children should be collected from school by 3.45 p.m.

We received some good news and bad news this week. We are thrilled to announce that Mr Hone has been appointed Acting Assistant Principal at Ashburton PS for Term 4. This is due recognition of his capabilities, knowledge and inter-personal skills and we know he will do an outstanding job. Good luck Mr Hone! On the other hand of course, we are very disappointed to be losing him, albeit temporarily, and conscious of the fact that the children in 4JH will miss him. Mrs Hondrakis and Ms Fava, two of our regular, reliable and experienced relief teachers, will look after 4JH until the end of the year.

Term 3 concludes with our end-of-term assembly at 1.50 p.m. tomorrow, after which the students will be dismissed at 2.30 p.m. Those of you who pass by the school during the two week break (we recommence on Monday 3rd October) will probably notice a good deal of activity taking place. Two significant landscaping projects will be undertaken and the new bike storage facility constructed. One of the landscaping jobs is particularly exciting – but we’re not going to tell you where and what – we’d rather pleasantly surprise you upon your return!

Condolences to the Moscatelli (Sienna in 3LA & Elise in FBG) on the death of their maternal grandfather.

Eric Regester

FROM THE ASSISTING PRINCIPAL

TEACHING AND LEARNING IN TERM 4

Next term the inquiry unit focus across the school is Curiosity. In Foundation ‘Curiosity Matters’ is the unit title. The students complete hands on investigations into the properties of everyday materials and the nature surrounding them. The students then use their curiosity to design end of year gifts. In Grade 1 and 2 students apply their curiosity to things of the past through the unit titled ‘It’s About Time’. The students explore the lives of past generations and how they lived. Their curiosity is harnessed to consider how the past is impacting on their current lives and how it may impact on their future. ‘Why, why, why?’ is the focus in Grade 3 and 4. In this unit students develop their curiosity through science. The students learn what it means to think and act like a scientist. They have an opportunity to identify and research a topic which they find curious. This culminates in a Curiosity Expo where they share their findings. ‘Why is it so?’ is the stimulus to the Grade 5 and 6 unit. Students apply their curiosity to the wonders of physical and chemical science, learning how and why things around us react the way they do. They will undergo an independent inquiry using skills and processes that are essential for a curious person living in the twenty-first century.

Yesterday I was fortunate to spend a short time with the Grade 1/2 team during their planning day. The planned unit looks great. One of the tasks is to compare life of a Grade 1/2 student today to what it was like for their grandparents. The timeframe they reflect on is the 1950s when the majority of our grandparents were our student’s age. We were having a laugh at the photo stimulus but really the change has been incredible. One of the tasks requires the students to work in pairs and to time warp back to the 1950s, role playing an aspect of that period. They can choose from transport, clothing, cooking, school or entertainment. They then have to flip back to current time to show the difference. I’m looking forward to seeing their presentations which are planned for around Week 7 in Term 4.

If you’d like to know more about the focus areas in English and Mathematics for Term 4 please visit - http://tinyurl.com/gtlp97w

COMMUNITY PARTNERSHIPS

As mentioned last week, further on in the Press you will find an outline of the app Showbie. This app is used extensively in the school, mainly with our Grade 3 – 6 students. Along with the document on Showbie there is also one titled ‘Where Apps Come From’. Both provide additional information which supports our iPad program.

Please visit the site at http://www.bpark.vic.edu.au/page/198/iPad-Program-at-BPPS

Enjoy the last day of the term. I hope everyone has a wonderful break ready for Term 4.

Randal Symons
Showbie is a cloud-based solution to managing, sharing, communicating, and providing feedback for student work. At Boroondara Park, we use it in Years 3-6 in both classroom and specialist settings. Think of it as a supercharged workbook where teachers can upload tasks for students to review and respond to, before the students upload their work and responses onto Showbie again. Teachers can provide written or verbal feedback for students. Showbie allows multimedia formats that match our 21st-century learning aims. The added benefit for our school is a reduction in paper wastage and printing costs.

**Learn Everywhere**

Showbie keeps the teacher and their students on the same page, whether they're using your iPad, iPhone, or pretty much any computer or device with an internet connection.

**Showbie Website**

Teachers and students can access Showbie anywhere, including a laptop, Chromebook, or even an Android phone.

**iPad App**

Get the most out of classroom iPads, whether you're using a shared cart or have a full 1:1 deployment. Showbie

**Assignments Made Easy**

**COMMENTS, LINKS + VOICE NOTES**

Quickly add instructions, guidance, or links to assignments. You can even record a note with verbal instructions for your students.

**THE SHARED FOLDER**

Documents, images, instructions, and comments you add to the shared folder are distributed to your entire class.

**PHOTOS + VIDEO**

Grab an image or video from your camera roll, or capture a document on the fly.

**DOCUMENTS FROM ANYWHERE**

Add documents from your computer, favorite iPad app, Dropbox or Google Drive, a couple of taps.

**The Right Tools for the Job**

- **SMART DOCUMENT VIEWER**
  - Showbie works like a page, displaying PDFs, images, videos, notes and more exactly the way you want.

- **PEN TOOL**
  - Use the pen to draw right on your documents. Showbie for classrooms now use a wide variety of colors and line thickness.

- **TEXT TOOL**
  - You and your students can type text directly on the page, with control over font size, style, color, and alignment.

- **SHARED VOICE NOTES**
  - Record audio and pin it right to the page. Customize your students' reading options, or producing a new language with a single tap!
MAP OR DRAW YOUR WAY TO SCHOOL COMPETITION
Today your child will have received a ‘Map or Draw Your Way to School’ competition sheet. The Boroondara Council in support of Walk to School October 2016, want students to draw or map the way they walk or wheel (bicycle, scooter) to school. I encourage you to support your child to draw or map the way they walk or wheel to school using their imagination and creativity.

After the school holidays please have your child return their creative map to the office by Friday 21st October. The top 3 imaginative and creative map designs will receive a Health Smart Wristband provided by the Boroondara Council as an incentive.

I hope your child has lots of fun creating their map and I can’t wait to see them all in October when we return from the holidays.

Many thanks,
Julie Tainsh

ASSISTANCE IN THE CANTEEN
At this stage we need a lot more assistance in the canteen for Term 4. Please go to this site to add your name - http://tinyurl.com/ztsbsje Simply click along the tabs along the bottom of the page to select the week and the write your name (including surname) against the date.
Performing Arts & Music at BPPS

The Boroondara Park Primary School Carols Night
Our next big musical event will be our annual Boroondara Park Carols evening held here at BPPS. Our Foundation students, BPPS ensembles and a few soloists will be performing at this event. This is a great opportunity to bring along a picnic and enjoy live music in the outdoors!

Please put this important date in your diaries: Thursday 8th December!

Stay tuned for more news to come in Term 4!!

Dance Drama Club – To start in Term 4
If you are someone interested in Dancing or Drama you may be interested in our Dance/Drama Club starting up in Term 4. Every week there will be a session held in the Performing Arts Room, Wednesday lunch for Drama with Miss Poor and Tuesday lunch for Dance with Miss Francis. Miss Poor and Miss Francis will alternate each week for variety. If you are interested in joining, please come and see Miss Poor.

Our first week will be a Dance week, Tuesday lunchtime with Miss Francis in the end music room. We look forward to seeing you there!!

Wishing you all a safe and enjoyable break. See you in Term 4!

Llaneath Poor & Beth Stephen (Performing Arts Teachers)

Costume Department

Top Secret - No kids allowed
2017 Senior School Production

Hello everyone!

If you’re like me, you’ll be cleaning out your cupboards in the run up to Christmas and the end of the school year.

Could you please look out for any of the following to donate to the school costume department?

- Raincoats, preferably trench coat style
- Knee length skirts or dresses
- Dark suit style jackets
- White shirts
- Braces
- Tap shoes, jazz shoes
- Fabric, especially gingham

Sizes are for grades 4-6 so large boys to small ladies are good.

Any unused items will be donated to the school recycling program to generate additional funds for school activities.

Please mark bags clearly as “Costumes - Gill Seery” and leave with the office.

Parents & Friends Association

School Holiday Spring Clean?
Time to Bag it & Bring it!

$500 raised to date for BPPS kids!

What to Bag:
• Clean undamaged clothing
• Pairs of footwear
• Handbags, hats, belts, swimwear
• Jackets, coats
• New underwear, bras, socks
• Sheets, blankets, towels,

Where to Bring it:
• Place in the collection bins located inside the School Hall (next to canteen)
• Spread the word and collect for family and friends
• The more we bag, the more funds we raise
• Unwanted clothes are sold in under developed countries

Please contact Kylie McCarthy, 0422 002 245 if you have any questions

Australia’s Wastesavers
Thank you to those who have put themselves forward to help. **There are many days still to fill; please complete the Canteen Helpers form if you can help. If you feel you cannot commit to the canteen the whole day remember anytime you can help is appreciated.** If you are unable to work on your selected days, could you please let me know on 0419 506 318.

Di Cleary, Canteen Manager 😊

**District Basketball Competition**

Last Friday, we had 15 Year 6 students represent the school in District Basketball Competition at the Boroondara Sports Complex. We had one boys and one girls team compete, with both teams performing extremely well. Our girls team won a consolation final whilst our boys were undefeated and were crowned District Champions!! Congratulations to both teams and a special big thank-you to Sandra Hurt, Aeron Hurt, Linda Mackenzie, Tony Smith, Geoff O’Hoy and Lidia Orsini for all their assistance on the day.

![District Basketball Competition](image1)

**Racquetball Practice Match**

Yesterday, our school racquetball team played a practice match against Mount Waverley PS in preparation for the State Racquetball Competition on Friday 21st October. Congratulations to all of the students who have been attending practices held after school and have thrived playing a new sport.

**Term 4 Sport and PE**

It is a big start to the Term 4 PE and Sport Curriculum. We have key events over the first three weeks such as Division Athletics, Eastern Regional Athletics, Hooptime Basketball Regional days, Division Summer Sport Finals and the State Racquetball Finals!

Our gymnastics program will also be commencing Week 1 next term and will be held over 8 weeks during your child’s weekly PE session.
Remi Steen of 4RP will be our artist of the week for the first week of term 4. Her Modigliani inspired portrait looks amazing as she has coloured it with blue skin. The blue oil pastel almost seems to glow off the black background. Some of her classmates commented that it looked like an avatar! Don’t forget to come in early next term to check it out for yourself!

If you haven’t been into the school yet this week, please don’t miss the chance to see the fantastic art week displays that are up in the main corridor. Make a point of coming in before or after the early pick up on Friday. Have a good and creative holiday!

Chris Trollope & Jennifer Hortin
Donate your old BOOKS & MAGAZINES to the BPPS Fair Second-Hand Book Stall

A job for the school holidays?
Donate your quality books and magazines.
  NO damaged books or magazines.
  NO CDs or DVDs please

DROP OFF at the hall before or after school (not the office please) by Friday 14 October

PLEASE RETURN ALL SOLD RAFFLE BOOKS AND MONEY TO THE OFFICE

additional raffle books available from office
or at assembly on Friday!
The uniform shop is run by the P. & F.A. as a service to the school community. So please don’t forget to thank the parent volunteers on Fridays.

**HATS:** Please note that hats are compulsory in Term 4.

**ORDERING UNIFORM:**
Can’t get to the Uniform Shop on a Friday or simply wish to avoid the queue! Drop in a pre-paid order at the office or send it with your child to school in an envelope addressed to the Uniform Shop.
Current order forms are available at the office or the BPPS website.
All orders must include payment; this includes correct cash, Eftpos or credit card at the office, no Bpay payments please. **Orders delivered to your child’s class Monday/Tuesday only.**

**NEW PRICE LIST:** Due to supplier cost changes we incurred earlier in the year, some of our uniform prices will be increasing in Term 4. These include hats, polo’s, sports t-shirts, jackets and school bags. Some items will have staggered pricing by size, in-line with supplier charges. I have kept increases to a minimum and have simplified the order form. This will be available on the web site later in the week. Price increases range for $1 to $3 and not all items will change. Shorts, Reader Bags, Library Bags and Legionnaire Hats will remain the same.

**GRADE 5 FAMILIES:**
Thank you to those that have ordered the grade 6 polos for 2017, these will be send home on the last Friday of Term 4, if you are leaving school earlier in the year please let me know.

**GRADE 6 FAMILIES:**
We have stock of grade 6 polos with no year if you need extra tops $35 sizes C10 to 18.
We have stock of the grade 6 rugby tops with no names, now only $20 sizes C14 to A18.

**SPECIALS:** Limited sizes available
- Old style bucket hat size large **only $3**
- Windcheaters sizes C14, C16 & A14 **only $5**
- Cotton Drill Pants size 14 **only $3**
- Polar Fleece Vests size 14 **only $5**
- Navy Polar Fleece scarf **only $4**

**Poly/Cotton T-shirts:** Going forward the uniform shop will be stocking 100% cotton t-shirts only, so only current stock of the poly/cotton t-shirts are available. Very low stock of C6 & C8.
**Long sleeve 100% cotton t-shirts:** Only current stock available no longer able to order from supplier.
**Stock in 8 & 10 only.**

**Socks:** Only stock available in the shop, we will no longer be ordering these in due to price changes from our supplier.

Regular Shop Hours; Friday 3.15pm – 3.45pm staffed by volunteer parents.
NO LATE ARRIVALS PLEASE, as parents need to bank and leave with their children.
If the uniform shop is busy, please place order with payment at the office.

*If you wish to pay by EFTPOS you will need to do this at the office prior to getting your uniform from the shop.*

Please keep your receipts for exchanges or refunds. Please note refunds can’t be processed on your credit card.
We can give cash or a cheque will be issued. Sorry for any inconvenience this may cause.
Further details on our uniform policies please see the school website. All prices mentioned above are per item.

*Julie Dussin - 9857-5157 please leave a message with the office, or*
*Email: uniform@bpark.vic.edu.au*
