Assembly on the last day of Term 2 commenced withior Choiring. It was very exciting for them. The students will be able to use their constructions to simulate road safety situations as part of their learn-construction of small wooden cars (with wheels and axles!) and they made road signs. They used real hammers, nails and tweezers which was part of the emphasis on road safety. Students undertook to try to reduce water erosion. Unfortunately the new bike enclosure didn’t quite get completed, but we are optimistic it will be ready for action later next week.

On Wednesday, Foundation students had an immersion activity from what life was like in the olden days. They visited an old-fashioned school and experienced farm life with hands on activities. Using only natural or recycled materials, the landscaper has done a wonderful job. Further works near the new playground and between the new rooms and the stadium have greatly enhanced that area both functionally and aesthetically. We are awaiting a modifi- ed basketball tower to be installed on the concrete slab which will be suitable for our younger children. The path up from Balwyn Rd was upgraded further, with edging and drainage installed. We hope this will encourage more parents to use Balwyn Rd as an access and egress point, relieving some of the congestion pressures in our other perimeter roads. New drainage works in other areas have been undertaken to try to reduce water erosion. Unfortunately the new bike enclosure didn’t quite get completed, but we are optimistic it will be ready for action later next week.

The School Fair Committee met on Monday night and it is obvious that this year’s event, on Saturday 19th November, is going to be sensational. We have seven weeks to go so the planning is starting to go into overdrive. Please keep an eye on the notices that are coming home via the Sentral portal and the BPPS Fair 2016 Facebook page. Information regarding many of the Fair’s features and activities have already been publicised and we’d hate you or your children to miss out on such things as the opportunity to purchase ride wristbands – which are a bargain! Whilst there will be considerably less demand on parents to carry a load this year, there are still some vitally important jobs that need to be done. If you would like to contribute your time in any way, don’t wait to be asked – contact Jacquie (0409 524 263) or Rebekah (0415 331 163) and volunteer your services. An outstanding feature of our Fairs is the wonderful activity area on the top oval has transformed a previously neglected and somewhat unsightly space into a most attractive, appealing and usable area. We remind you that raffle books and monies are due back tomorrow and that the raffle will be drawn at assembly on Monday 7th November. Friday week (14th October) will be a Free Dress Day, for which the cost of entering is a donation of goods for the Fair. Please see the related flyer for suggestions as to the type of goods that we are looking for.

Twenty-nine BPPS athletes attended the Division competition at the Bill Sewart track in East Burwood yesterday. Despite a bitterly cold wind keeping us chilly all day, our competitors acquitted themselves extremely well. Joughin, Angelina Tavlaridis and Kate and Joel Dickensen for outstanding participation in the Term 3 Languages Newsletter Challenge; Katherine Margaritis for displaying good work habits; Kaj Harper Lietoff for showing dedication and perseverance toward his learning; Ted Spanos for always putting others before himself; and Matthew Nguyen for trying his hardest in class all the time. We acknowledged Artists of the Week Oliver Woodman and Yura Kim, applauded 3SG for winning the Walk/Wheel trophy and celebrated with Killara as they won the House Competition for Term 3. Our next assembly is this coming Monday (10th October) at 2.50 p.m.

This week, we were pleased to receive acknowledgement of our efforts with cyber-safety. We are now officially an eSmart school! Please see the inclusion elsewhere in the newsletter for further details. Our thanks are extended to Ms Schultz for the considerable amount of work she has done toward helping our students become cyber-smart.

Congratulations to all Western Bulldog supporters! Your football team is an inspiration. It goes to show what commitment, dedication, passion and belief (and a goodly amount of talent!) can achieve.

The following students commenced at BPPS this week: Dimitri (5HF) Ianni (3KJ) Philipos (2JC) & Alexandros (FTL) Valkanis and Liam Howard (FSA). We wish these students and their families a very warm welcome to our school.

FROM THE ASSISTANT PRINCIPAL

Spring has Sprung
Not exactly! Who found it hard getting out of bed on Monday morning? With clocks wound to daylight saving time, rain and wind and a big weekend of sport, I certainly found it challenging to spring into action!

As I progressed closer to Boroondara Park I was greeted with freshness and colour both inside and outside the school. When I pulled my car into Almond Street I was thrilled to see the beautiful amphitheatre replacing the mulch pile in the corner of the top oval. I parked the car nearby and inspected the works and was impressed by the natural design and use of natural materials.

Later in the day when I was planting grasses with the Keen Green Team at the amphitheatre, I noticed that the children used the space as a play area. The large rocks became natural stepping stones for leaping from one space to another. I’d like to think it wasn’t just because the ground was muddy but because the instincts of children to leap, skip and jump were enhanced by the environment. This will be a great space for outdoor classrooms and for imaginative play when the oval dries out.

Upon further inspection of the grounds, I was delighted with the resurfacing of soft fill under the new junior playground and the neat edging surrounds. I’m sure this also delighted the children when they arrived back from holidays. This will provide pleasant spots for the children to gather out of the mud and also for the parents to meet before and after school. It was a very welcome sight.

As I entered the main building I was greeted by the creativity of the Art week displays. When you see a vast art collection such as this in the corridors it gives a strong impression of hard work, focus and many individual creative talents. I was also welcomed and inspired by the art work that our community members and staff had produced. Great to see the halls filled with such vibrant colour.

The progress of the bike enclosure at the front of the school also excited me as the thought of springtime rides to work should become a reality soon. It will be even more pleasing to see children’s bikes and scooters filling the facility in weeks to come.

My Monday was completed with Care, Learn and Share classes. One of our exciting whole school CLaS projects is to make one minute films around the theme of our school values. This idea came from Junior School Council with the plan to show the movies in a continuous reel at the Fair.

There are many signs that spring has sprung at Boroondara Park in the way of inspiration, colour and freshness, despite the wintry weather.

**Performing Arts**

Performing Arts & Music at BPPS

Welcome Back!

*The Boroondara Park Primary School Carols Night*

Our next big musical event will be our annual Boroondara Park Carols evening held here at BPPS. Our Foundation students, BPPS ensembles and a few soloists will be performing at this event. This is a great opportunity to bring along a picnic and enjoy live music in the outdoors!

Please put this important date in your diaries: **Thursday 8th December**!

Stay tuned for more news!!

**Dance Drama Club**

If you are someone interested in Dancing or Drama you may be interested in our Dance/Drama Club which started this week. Every week there will be a session held in the Performing Arts Room, Wednesday lunch for Drama with Miss Poor and Tuesday lunch for Dance with Miss Francis. Miss Poor and Miss Francis will alternate each week for variety. If you are interested in joining, please come and see Miss Poor.

Next week (week 2) will be a Drama week, Wednesday lunchtime with Miss Poor in the end music room. We look forward to seeing you there!!

Liaaneath Poor & Beth Stephen (Performing Arts Teachers)
Our artist of the week next week is Ashleigh Frost of 2JC. Ashleigh's work is her own Andy Warhol inspired representation of a Campbell's soup tin. Ashleigh and her cohort looked at prints of Andy's original art works, and also at real soup tins purchased recently from the supermarket. They noted the changes that have been made to the Campbell's brand since Andy's time as well as what has stayed the same. They then chose which one they wanted to copy. Ashleigh went with Andy's vegetable soup tin! I'm sure you will agree that she has done a great job!

**Division Athletics Carnival**

Yesterday, 29 students from Years 4 – 6 competed in the Division Athletics Carnival at the Bill Sewert Athletics Track in Burwood. These students had qualified after competing exceptionally well at the District Carnival last term.

All students were exceptional on the day as over 100 schools braved the freezing conditions. Congratulations to our students who finished in the top 2 in their event and will be now moving on to the Eastern Regional Athletics Carnival on Thursday 13th October. A big thank-you to Mr Reg who assisted myself throughout the day and to the parents who came along to support.

**Gymnastics**

Your child might have come home after their PE session this week talking about the start of gymnastics. All students have loved having the crew from ‘TriSkills’ come out and develop their skills. The focus this week was on ‘landing’. It’s always great to continue to practice these skills at home.

EUREKA!!!

On Sunday November 13th four of Boroondara Park’s teachers will form a team to together climb to the top of Australia’s tallest building, the Eureka Tower here in Melbourne. That’s 88 floors, 1642 stairs all the way to the top of the Eureka Skydeck. We will be doing this both to test our own fitness, but more importantly to raise funds for two very special charities, Whitelion and Interplast. Who are these teachers? you ask. Well, there’s Mrs Hortin who has raced the Eureka Climb three times in the past as an individual, and who has this year persuaded Miss Fava, who recently completed the Stadium Stomp, Mr Longmuir and Miss Amiconi to join her. We are all of us fitness enthusiasts, but we also think the organisations we are fundraising for are pretty special.

Whitelion
Whitelion supports young people at risk to reach their full potential. They are a not-for-profit organisation that for more than 13 years have been opening doors to opportunities, relationships and community for at risk young people aged 10 to 24. The young people that Whitelion work with have seldom had positive influences in their lives, and are often victims of abuse and neglect. Many come from backgrounds that are characterised by multi-generational disadvantage, unemployment, substance use and offending behaviour.

For more information visit www.whitelion.org.au

Interplast
Interplast exists to repair bodies and rebuild lives. They are a not-for-profit organisation working to improve the lives of people in our neighbouring developing countries who are disabled as a result of congenital or acquired medical conditions. They do this by sending Australian and New Zealand volunteer plastic and reconstructive surgeons, anaesthetists, nurses and allied health professionals to the Asia Pacific region to provide free surgical treatment for patients who would otherwise not be able to afford access to such services. They focus heavily on facilitating medical training and mentoring for their in-country medical staff by supporting and building capacity within local health services.

For more information visit www.interplast.org.au

You can support us and these worthy organisations by sponsoring us through the following link:

Sincere thanks,
Mrs Hortin, Miss Fava, Mr Longmuir and Miss Amiconi
